The organization primarily serves at-risk residents in South Philadelphia, focusing on providing resources like food distribution through partnerships, community events, and support for initiatives that address local challenges, such as violence prevention and poverty alleviation.

TRANSFORMING LIVES IN SOUTH PHILADELPHIA

Carpentry Academy:

Our Carpentry Academy empowers at-risk youth aged 14–19 with valuable trade skills. Over 24 weeks, participants learn carpentry basics, receive mentorship, stipends, and tools, and participate in outings to foster community and personal growth. This program not only provides career opportunities but also combats the pervasive threat of gun violence in our neighborhoods. These initiatives reflect our unwavering commitment to uplifting our South Philadelphia community.

OUR COMMUNITY INITIATIVES

Thanksgiving Giveback: Meals are provided to families during Thanksgiving to ensure everyone feels supported.

Supporting Black Businesses: We highlight and promote Black-owned enterprises to strengthen local economies.

Education: Resources and programs that foster learning and growth are offered to the community.

Voting: We encourage voter participation through education and outreach.

Housing & Utility Relief: Helping families maintain stable housing and essential services.

Mentoring: We guide youth to success through personal and professional mentorship.
